#### Work Stream Status and Timeline

4. The current IESBA [Strategy and Work Plan](#) (SWP) released in April 2019, covers the period from 2019 to 2023.
5. At its November-December 2021 meeting, the IESBA began preliminary discussions on developing its next SWP 2024-2027. In March 2022, the IESBA approved a [Strategy Survey](#) for issuance in accordance with due process, taking into account the CAG's input.
6. In September 2022, the CAG shared views on the significant comments raised by respondents to the Strategy Survey, taking into account the September 2022 IESBA discussion.
7. In March 2023, the IESBA approved the CP, taking into account feedback from the CAG. The report-back on the CAG discussion in March 2023 is included in the **Agenda Item F-2**. In April 2023, the IESBA issued the CP for public consultation and received a total of 44 comment letters were received. Refer to the IESBA Agenda Item 5-A for a list of the respondents.
8. Refer to **Appendix** for the key deliverables to date.

9. In September 2023, the IESBA will consider a full analysis of the key comments received on the CP and the PC's views and proposals as well as a first draft of the SWP 2024-2027.
10. The final draft of the SWP is expected to be tabled for the IESBA's consideration and approval in December 2023.
11. The remaining timeline for the development of the SWP 2024-2027 is as follows:

Milestone	Expected Timing
Discussion of Consultation Paper responses with CAG	September 2023
Full IESBA review of Consultation Paper responses and draft SWP	September 2023
IESBA approval of SWP	December 2023
PIOB consideration and approval	April 2024
Release of SWP 2024-2027	April 2024

### Materials for the CAG Consideration
